

## **Supply List-Start With a Square**

### **Jenny K. Lyon**

- Machine-in good working order. Bring the one you will really work with at home if possible.
- Manual for machine. Please learn how to set up your machine for free motion before class by reading your manual and setting your machine up ahead of class.
- Free Motion foot for your machine- open-toed is preferred but not required. Bring a closed toe foot if that's what you have. The foot usually has a spring on it. You do need this for the class-if you're not sure, please check with your dealer to make sure you have the right one.
- Put the free motion foot on your machine, and lower the needle to make sure it fits and works with your machine. Your quilt sandwich should move freely under a lowered presser foot with your feed dogs down. I want to make sure you have the right one!
- Two 18" quilt sandwiches with quality fabric and batting. We will use these to practice on before putting motifs on our sample.
- Handful (8-10) of 1" safety pins for basting
- Several colors in the medium range of quality thread.
- One empty bobbin
- Topstitch needles appropriate for the threads you're bringing
- Marker of choice-blue wash out, Sewline chalk, anything that marks well.
- 24" quilter's ruler.
- Scissors or snips.
- Pencil and 15 sheets of blank paper or a notepad.

**NOTE:** We'll break for a ½ hr lunch-it's probably best to bring one along.

### **Bring only if you already have (don't rush out and buy them!):**

- The bed extender that came with your machine if you have one. Or, bring your Sew Steady table if you have one.
- Any free motion supplies that you typically use-gloves, slider, etc
- Straight stitch throat plate.
